John B. Todd, Foreperson  
2007-08 Riverside County Grand Jury  
P.O. Box 829  
Riverside, California 92502

Dear Mr. Todd:

This letter shall serve as the California Department of Corrections and Rehabilitation, California Rehabilitation Center's (CRC) response to the June 18, 2008 "2007-2008 Grand Jury Report: CRC – Norco" (the "Report") issued pursuant to California Penal Code Section 933 et. seq.

The subject of the Report was a complaint made by an inmate housed at the CRC regarding a Temporary Community Leave (TCL).

**Grand Jury Findings # 1**

I agree with the Grand Jury's Finding.

**Recommendation to Grand Jury Findings #1**

The recommendation has been implemented. My staff have looked into the concerns you raised in the Report. The inmate, who made the complaint that resulted in the Report, has been released to parole. Thus, we can no longer address his particular situation. However, CRC will continue to implement the TCL process on an ongoing basis, keeping the Grand Jury's Findings and Recommendations in mind. I can assure you that CRC's staff are well trained and diligent in their duties as Peace Officers, including the TCL procedures. On July 23, 2008, CRC's counseling series will receive additional mandatory training as it relates to inmates and their requests for TCL and inmate welfare.

Should you have any further concerns, you may contact my Administrative Assistant Michael Brownell at (951) 273-2920.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Martel".
